

1-4 TONNE SCISSOR LIFT TABLES

1000kg Scissor Lift Tables

OVERVIEW

Optimum's compact 1 tonne heavy duty scissor lift tables have multiple uses from pallet and product elevating to adjustable height welding tables and work benches. Fitted with durable, high quality hydraulic power packs these units can be relied on even in the toughest conditions in the processing and mining industries. Available with custom platform sizes we can assist you with your exact requirement.

FEATURES

Suitable for loads up to 1000kg

- ✓ Industrial quality 240 volt hydraulic power pack
- ✓ Heavy duty scissor frame with self lubricating bushes on pivot points and safety descent bar on upper platform
- ✓ Heavy duty cylinders with drainage systems and check valve to stop the lift table lowering in case of the hose bursting
- ✓ Removable lifting eye to facilitate handling and lift table installation including safety clearance to prevent trapping
